```
        D                          G          D
V1  Amazing grace, how sweet the sound
          D                        A
    That saved a wretch like me
    D                        G          D
    I once was lost, but now I'm found

V2  'Twas grace that taught my heart to fear
          D                        A
    And grace my fears relieved
          D                        G          D
    How precious did that grace appear
        D/A      A        D    G    D
    The hour I first believed

                    D                  G          D
