V1 O Lord, most high in Heaven, Who created all we see
Em C D Bm There is nothing I may face too difficult for Thee
Am Em C D
At times my faith it seems so strong and other times so small
Am Em C Dsus D
Yet through it all I still believe, You're Sovereign over all
Em C D Bm
V2 Once a slave to all my sin, I chose not to believe
Em C D Bm
Then You opened up my eyes, came and rescued me
Am Em C D
I don't deserve such favor, Lord, and such amazing grace Am Em C Dsus D
And one day in Your presence I will see You face to face
G/B C Am7 D
CH You saved me, gave Your life away G/B C Am7 D D/C
You saved me, a debt I can't repay
Bm7 Em C G/B
You saved me, on the Cross the work was done
Am7 G/B C D G C Em C (2)
And I know You'll complete what You've begun
Em C D Bm
V3 This world is quickly passing by and one day it will cease
Em C D Bm
So I will set my eyes on You, my Joy, my Rock, my Peace
Am Em C D
May I be in Your mighty hands, just like potter's clay Am Em C Dsus D
Am Em C Dsus D Change me to be more like You until that final day
