V1   **O Lord, most high in Heaven, Who created all we see**
       Em   *C*   *D*   *Bm*
      There is nothing I may face too difficult for Thee
       Am   *Em*   *C*   *D*
      At times my faith it seems so strong and other times so small
         Am   *Em*   *C*   *Dsus* *D*
      Yet through it all I still believe, You're Sovereign over all

       Em   *C*   *D*   *Bm*
V2   **Once a slave to all my sin, I chose not to believe**

      I don't deserve such favor, Lord, and such amazing grace
         Am   *Em*   *C*   *Dsus* *D*

      You saved me, on the Cross the work was done
        Am7   *G/B*   *C*   *D*   *G* *C* *Em* *C (2x)*
      And I know You'll complete what You've begun

        Em   *C*   *D*   *Bm*
V3   **This world is quickly passing by and one day it will cease**
       Em   *C*   *D*   *Bm*
      So I will set my eyes on You, my Joy, my Rock, my Peace
       Am   *Em*   *C*   *D*
      May I be in Your mighty hands, just like potter's clay
       Am   *Em*   *C*   *Dsus* *D*
      Change me to be more like You until that final day

        G/B   *C*   *Am7*   *D*
CH   **You saved me, gave Your life away**

      And I know You'll complete what You've begun
