

# HERE IS LOVE (HYMN REMIX)

**INTRO**      G    C    Bm    C (2x)

**V1**      G                      C                      G                      D  
Here is love, vast as the ocean, loving kindness as the flood  
                 G                      C                      G                      D                      G    C    Bm    C  
When the Prince of Life, our Ransom, shed for us His precious blood *(Repeat)*

                 G                      D/F#                      D                      G  
Who His love will not remember? Who can cease to sing His praise?  
                 Em                      C                      G                      D                      G    C    Bm    C  
He can never be forgotten, throughout Heaven's eternal days

**V2**      G                      C                      G                      D  
On the mount of crucifixion, fountains opened deep and wide  
                 G                      C                      G                      D                      G  
Through the floodgates of God's mercy, flowed a vast and gracious tide  
                 G                      D/G                      G  
Grace and love, like mighty rivers, poured incessant from above  
                 Em                      C                      G                      D                      G  
And Heaven's peace and perfect justice, kissed a guilty world in love

                 G                      D/G                      G  
Who His love will not remember? Who can cease to sing His praise?  
                 Em                      C                      G                      D                      G    C    Bm    C  
He can never be forgotten, throughout Heaven's eternal days

                 G                      C                      G/B                      C  
**BR**    No love is higher, no love is wider, no love is deeper, no love is truer  
                 G                      C                      G/B                      C  
No love is higher, no love is wider, no love is like Your love, oh Lord

                 G                      C                      Bm                      C  
**END** Here is love vast as the ocean.....
