

# I SEE THE CROSS

4/4                    D                    G  
**V1** I see the cross, and it's all I need to see  
                         Bm                    G  
I see the cross, and it calls me to believe  
                         D                    A                    G  
No other way to be reconciled, to receive complete forgiveness  
                         D                    A  
No other choice could have set us free  
                         G  
Could have paid the price of justice  
Em                    D/F#                    G                    Asus                    A  
So I come, as I am, to the place where mercy meets me  
                         D                    Dma7                    D                    Dma7  
I see the cross

                         D                    G  
**V2** I see the cross, lifted high for all to see  
                         Bm                    G  
I see the cross, it's the love the nations need  
                         D                    A                    G  
No other way to be reconciled, to receive complete forgiveness  
                         D                    A  
No other choice could have set us free  
                         G  
Could have paid the price of justice  
Em                    D/F#                    G                    Asus                    A  
So I come, as I am, to the place where mercy meets me  
                         D                    Dma7                    D                    Dma7  
I see the cross

Em                    D/F#                    G                    A                    Em  
**BR** You suffered and died, poured out Your life  
                         D/F#                    G                    A                    Em  
You showed us the way, to truly be great  
                         D/F#                    G                    A                    Em  
Yet this just begins, the Father's full plan  
                         D/F#                    G                    A  
Now there is a way, to share in Your  
                         D                    A/C#                    G                    A                    D                    A/C#                    G                    A  
Resurrection, live forever, through Your death and life  
We'll share Your... (repeat above line several times to end)
