

# RESURRECTING

4/4 INTRO G Bm - A (4x)

V1                   G           Bm7                   A                                   G    D  
The head that once was crowned with thorns, is crowned with glory now  
                  G        Bm7        A                   G        D        G Bm - A  
The Savior knelt to wash our feet, now at His feet we bow

V2                   G        Bm7        A                                   G    D  
The One who wore our sin and shame, now robed in majesty  
                  G        Bm7        A                                   G    D  
The radiance of perfect love, now shines for all to see

CH                   G            D        A                    G        D        A  
Your name, Your name is victory, All praise will rise to Christ our King  
                  G            D        A                    G        D        A  
Your name, Your name is victory, All praise will rise to Christ our King

V3                   G        Bm7        A                                   G    D  
The fear that held us now gives way, to Him who is our peace  
                  G        Bm7        A                                   G    D  
His final breath upon the cross, is now alive in me

G                    D            A                                   D/F#    G  
BR By Your Spirit I will rise from the ashes of defeat  
                  D            A                                   G  
The resurrected King is resurrecting me  
                  D            A                                   D/F#    G  
In Your name I come alive to declare Your victory  
                  D            A                                   G  
The resurrected King is resurrecting me

V4                   G        Bm7        A                                   G    D  
The tomb where soldiers watched in vain, was borrowed for three days  
                  G        Bm7        A                                   G    D  
His body there would not remain, our God has robbed the grave  
                  G                    D  
Our God has robbed the grave
