

# THE LORD IS (Psalm 23)

6/8

**V1**        *E*                            *A*                            *E*  
The depths of Your grace who can measure  
              *E*            *A*            *Bsus* | *B*  
You fully supply all I need  
*F#m7*                            *C#m*                            *G#m7*                            *A*  
You restore my weary soul again and again  
              *F#m7*                            *A*                            *Bsus*  
And lead me in Your righteousness and peace

**V2**        *E*                            *A*                            *E*  
You're with me through every dark valley  
              *E*                            *A*                            *Bsus* | *B*  
There's nothing that I have to fear  
*F#m7*                            *C#m*                            *G#m7*                            *A*  
You are there to comfort me again and again  
              *F#m7*                            *A*                            *Bsus*  
Protecting me, assuring me You're near

**CH**        *E*    *Bsus*        *F#m7*                            *A*  
The Lord is,        the Lord is my Shepherd  
              *E*    *Bsus*        *F#m7*                            *A*  
The Lord is,        the Lord is my Shepherd  
*E*                            *F#m7*  
I shall not want

**V3**        *E*                            *A*                            *E*  
You gave Your own life for my ransom  
              *E*                            *A*                            *Bsus* | *B*  
So I could rejoice at Your side  
*F#m7*                            *C#m*                            *G#m7*                            *A*  
You have shown Your faithfulness again and again  
              *F#m7*                            *A*                            *Bsus*  
There's nothing good that You will not provide

**BR**        *B*    *C#m*    *A*                            *E*    *B*                            *F#m7*                            *A*  
I will dwell in Your house, All the days of my life
