

# WHAT A SAVIOR

6/8     D                     A                     D/F#                     G  
V1    Man of Sorrows, what a name, For the Son of God who came  
      Bm                     A                     G     A  
      Ruined sinners to reclaim, Hallelujah  
      D                     A                     D/F#                     G  
      Bearing shame and scoffing rude, In my place condemned He stood  
      Bm                     A                     G     A     E7   G   A  
      Sealed my pardon with His blood, Hallelujah,     Hallelujah

      D     A  
CH    Savior, You showed Your love  
      G                     A  
      Defeated our sin, poured out Your blood  
      D                     A  
      So we praise You, Lamb that was slain  
      G                     A  
      We offer our lives to proclaim  
      Em7                     (ENDING: D    Asus   G) 2x  
      What a Savior

      D                     A                     D/F#                     G  
V2    Guilty, vile, and helpless we, Spotless Lamb of God was He  
      Bm                     A                     G     A  
      Full atonement, can it be? Hallelujah  
      D                     A                     D/F#                     G  
      Lifted up was He to die, "It is finished" was His cry  
      Bm                     A                     G     A     Em7   G   A  
      Now in heav'n exalted high, Hallelujah,     Hallelujah

      D                     A/D                     D                     G  
V3    When He comes, our glorious King, All His ransomed home to bring  
      Bm                     A                     G     A     Em7   G   A  
      Then anew this song we'll sing, Hallelujah,     Hallelujah
