

## A KING LIKE THIS

### V1

A King like this, Majesty laying in a manger  
A King like this, unto us is born a Savior  
The Light, the Light has come

### V2

A King like this, the highest name in the song of heaven A  
King like this, born of flesh into our suffering  
The Light, the Light has come

### CH

He is Christ, the Lord, He is Christ, our Savior  
He is Christ, the Lord, He is Christ, our Savior  
I bow my heart before no other name  
I bow my heart before no other King

### V3

A King like this, a saving love that would not forsake us  
Betrayed by a kiss, that led to the cross for our forgiveness  
The Light, the Light has come

### BR

We lift up our eyes, the Light has come  
We lift up our eyes, the Light has come  
We lift up our eyes, the Light has come  
We lift up our eyes, lift up our eyes

### END

A King like this, a throne of grace that will stand forever  
The angels sing, Glory, glory, hallelujah  
The Light, the Light has come  
The Light, the Light has come
