

ALIVE IN US

V1

Great is Your love
Let the whole earth see, let the whole earth see
And You reached for us
From on heaven's throne when we had no hope
You are the way, there is no other
You are the way, there is no other

CH

You rose from death to victory
You reign in life, oh majesty
Your name be high and lifted up
Jesus, Jesus alive in us

V2

You outshine the sun
You are glorious, You are glorious
And Lord over all
You have made us new, we owe it all to You
In everything, be exalted
In everything, be exalted

BR

The enemy is under Your feet, we are free, we are free
Death has been defeated by love
You overcome, You overcome (repeat)
