

## BEFORE THERE WAS TIME

### V1

Before there was time  
There were visions in Your mind  
There was death in the fall of mankind  
But there was life in salvation's design  
Before there were days  
There were nights I could not see Your face  
But the night couldn't keep me from grace  
When You came and You took my place

### CH

So I cry Holy, only begotten Son of God  
Ancient of Days  
I cry holy only begotten Son of God  
And sing the praises  
Of the One who saved me  
And the promises He made  
Before there was time

### V2

Before there was time  
You counted the hairs on my head  
You knew all the words that I've said  
You purchased me back from the dead  
And before I was made  
You searched me and knew my ways  
You numbered all of my days  
You set forth the steps I would take

### BR

You saved me, You raised me  
You saved me, You pulled me from the grave
