

BEHOLD THE SON OF GOD

V1

Behold the Son of God, who dies upon the cross
Suffering my punishment, sacrifice of grace
Though He dies, yet shall He live forever
And here we stand O God, as trophies of Your grace
Drawn from darkness into light, of Your Spirit born
Though we die, yet shall we live forever

CH

There is no condemnation now for those
Who put their trust in You alone
We worship You O Son of God
There is no separation from His love
No pow'r on earth or heights above
Can take us from You Son of God

V2

Behold the Son of God, who sits upon the throne
Over death victorious, heaven's Prince of Peace
Though He died, yet shall He live forever
And we shall stand O Lord, before that throne of grace
Bought by Your redeeming love, purchased by the blood
Though we die, yet shall we live forever
