

## CHRIST HAS RISEN

### CH

Hallelujah, Jesus Christ is alive;  
He has risen just as He had said  
Death is defeated Life has been won for us Never ending

### V1

And now I'm free from my sin And now His life is within  
And now my story begins  
Now I will go and tell the whole wide world Christ has risen

### V2

And now I'm free from my sin And now His life is within  
And now my story begins  
Do not be troubled for He has overcome every darkness

### END

Hallelujah, Jesus Christ is alive;  
He has risen just as He had said  
Death is defeated Life has been won for us Never ending  
Death is defeated Life has been won for us Never ending  
Death is defeated Life has been won for us Never ending
