

## CHRIST THE MEDIATOR

### V1

My sinful heart, Your righteousness  
How can the two ever meet  
For only One both God and man  
Could bridge this chasm wide and deep

### CH

There is One God, One Mediator  
Jesus Christ, our perfect Savior  
There is One God, One Mediator  
Jesus Christ, our perfect Savior

### V2

You formed the plan from long ago  
To rescue Adam's fallen race  
The Son of Man was crucified  
The Second Adam took our place
