

COUNT IT ALL JOY

V1

Lord, I'll count it all joy
When my troubles close me
in on every side
Lord, I'll count it all joy
When this road of faith
Runs through the darkest night
For I know You're at work in me
Yes, I know, You'll provide
All the grace I need

CH

You have always been my Rock
I will trust You forever, forever
You have never failed me, God
I will trust You forever, forever

V2

Lord, I'll count it all joy
When the weight of sorrow
Drives me to my knees
Every heartache and pain
In Your mighty hands
is forming Christ in me
And I know that Your Word is true
Yes, I know every trial will only prove

BR

For who can separate us
From You and Your great love
