### V1

You're my supply my breath of life  
Still more awesome than I know  
You are my reward worth living for  
Still more awesome than I know

### CH

And all of You, is more than enough for all of me  
For every thirst and every need  
You satisfy me with Your love  
And all I have of You, is more than enough

### V2

You're my sacrifice of greatest price  
Still more awesome than I know  
You're the coming King, You are everything  
Still more awesome than I know

### BR

More than all I want, more than all I need  
You are more than enough for me  
More than all I know, more than all I can see  
You are more than enough
