

EXTRAVAGANT LOVE

V1

You were seated High above the heavens
But left it all to Be lower than the angels
And then be judged by Those You had created
The wonder of it all The wonder of it all

V2

In the darkness Of that final moment
Stripped and beaten The King of Kings now broken
Blood was poured out Winning our atonement
The wonder of it all The wonder of it all
What seemed a sure defeat
Would be Your victory

CH

Oh Lamb of God Oh Lamb of God
You gave it all You gave it all
We are nothing but dust Yet You pour out on us
Your extravagant love

V3

But no grave could Ever hold You captive
And with a mercy That none could ever fathom
You've repaid our Hatred with Your ransom
The wonder of it all The wonder of it all
We who once were enemies
Now worship at Your feet

BR

Come and behold Him
Come and behold Him
Who washed our sins away
Come and adore Him
Come and adore Him
The Lamb who once was slain
