

GENEROUS KING

V1

You spoke and our hearts began to beat
You gave us breath and air to breathe
It's all from You, Lord, it's all from You
You give the morning sun its light
All that we need Your hand provides
It's all from You, Lord, it's all from You

PRE CH

With humble hearts we thank You
With grateful hearts we sing out

CH

Generous King, You give Out of Your fullness
Showering kindness You give
Generous King Mercies unending
Love never failing You give

V2

The wrath we deserved was furious
The cup that we drink is full of love
It's all from You, Lord, it's all from You
Your Spirit You've freely given us
Now we see Jesus glorious
It's all from You, Lord, it's all from You

BR

Thank You for Your goodness
Poured on us through Jesus
