

## GOD MOVES IN A MYSTERIOUS WAY

### V1

God moves in a mysterious way, His wonders to perform  
He plants His footsteps in the sea, And rides upon the storm  
Deep in His dark and hidden mines, With never failing skill  
He fashions all His bright designs,  
And works His sovereign will

### CH

So God we trust in You, O God we trust in You

### V2

O fearful saints new courage take,  
The clouds that you now dread  
Are big with mercy and will break, In blessings on your head  
Judge not the Lord by feeble sense,  
But trust Him for His grace  
Behind a frowning providence, He hides a smiling face

### CH

So God we trust in You, O God we trust in You  
When tears are great and comforts few  
We hope in mercies ever new  
We trust in You

### V3

God's purposes will ripen fast, Unfolding every hour  
The bud may have a bitter taste, But sweet will be the flower  
Blind unbelief is sure to err, And scan His work in vain  
God is His own interpreter, And He will make it plain
