

GRACE THAT WON'T LET

V1

Sometimes I'm strong, sometimes I'm weak
Sometimes I fall in my wandering
But through it all, there's just one thing
More precious than the air I breathe

CH

Grace amazing, Grace unfailing
Grace that saves my soul
Grace unending, Grace unrelenting
Grace that won't let go

V2

You took our sin, You took our stain
You took our guilt now there is no shame
This our reward eternal crown
The endless song how sweet the sound

BR

Grace, Greater than our past, deeper than our pain
Stronger than our sin
Your love, forever it will last, Your blood will always save
Grace will always win
