

HAVE YOUR FULL WAY

V1

For Your church
For the furth'rance of Your word
For Your way and also my own life
I offer up all that I am
Lord, have Your full way through me

CH

Without condition, with no reservation
I lay down my life into Your hands
Without condition, with no reservation
Lord have Your full way through me

V2

I thank You for my cross
It was designed by Your own hand
To perfect a good work in me
Break down my pride
And let Your Spirit flow
Lord, have Your full way through me
