

HAVEN'T YOU BEEN GOOD

V1

Thank you for the cross, Thank you Lord for drawing me
Out of millions lost, Thank You Lord for saving me
Haven't You been good, Haven't You been so good

CH

Glory to Your name, glory to Your holy name
Thankfulness and praise
For grace and mercy never changing
Haven't You been good
Haven't You been so good to me

V2

Favor on my life, Always watching over me
Darkness turned to light, And heaven's arms enfolding me
Haven't You been good, Haven't You been so good
