

**HE IS JESUS
(North Point Version)**

V1

Who will call on the hurting, making perfect the torn
Who will stand through the ages, giving rest to the worn

CH

He is Jesus, He is Jesus, Christ our Savior, He is Jesus

V2

Who will carry our burdens, turn our sorrow to song
Who gave His life on a cross, making right what went wrong

CH

He is Jesus, He is Jesus, Christ our Savior, He is Jesus
He is Jesus, King forever, Our redeemer, He is Jesus

V3

Who would die for a thief, bear the weight of our shame
On that old rugged tree, sin defeated, we are free
Sin defeated, we are free, sin defeated, we are free

BR

No other name but the name of Jesus
No other life than the life You gave
The enemy crushed and death defeated
Forever You reign, forever You reign
