

## THE HEART OF WORSHIP

### V1

When the music fades and all is stripped away  
And I simply come  
Longing just to bring something that's of worth  
That will bless Your heart

### BR

I'll bring You more than a song, for a song in itself  
Is not what You have required  
You search much deeper within  
Through the way things appear  
You're looking into my heart

### CH

I'm coming back to the heart of worship  
And it's all about You, all about You, Jesus  
I'm sorry, Lord, for the thing I've made it  
When it's all about You, all about You, Jesus

### V2

King of endless worth, no one could express  
How much You deserve  
Though I'm weak and poor, all I have is Yours  
Every single breath
