

HIGH ABOVE ALL

V1

God, You alone have created,
The heavens and earth with Your voice
You rule and You reign without ending
Your sovereignty crowning my soul
Father, You see the whole picture,
Through lenses of pure clarity
Father, Your hand is guiding me

CH

High above all, Exalted One,
High above all, To You I come
Your greatness displayed for all to see
High above all, My Lord and King,
High above all, To You I sing
Holy are You who made all things

V2

Before time began You knew me,
Calling me out as Your own
Sending Your Son and providing,
A way to bow down at Your Throne
Jesus Your love overwhelms me,
Obedient to death on the Cross
Jesus, Your blood has washed me clean

BR

To whom will we compare You
There's none as high or as worthy
