

## HOLY MOMENT

### V1

As we come today we remind ourselves of what we do  
That these songs are not just songs  
But signs of love for You  
This is a holy moment now  
Something of heaven touches earth  
All of the angels all resound, we join their song

### CH

Come, come, come, let us worship God  
With our hands held high, and our hearts bowed down  
We will run, run, run, through Your gates, O God  
With a shout of love, with a shout of love

### V2

Lord, with confidence we come before Your throne of grace  
Not that we deserve to come but You have paid the way  
You are the holy King of all  
Heaven and earth are in Your hands  
All of the angels sing Your song, We join them now
