

JESUS, SON OF GOD

V1

You came down from Heaven's throne
This earth You formed was not Your home
A love like this the world had never known
A crown of thorns to mock Your name
Forgiveness fell upon Your face
A love like this the world had never known

CH

On the altar of our praise, let there be no higher name
Jesus, Son of God
You laid down Your perfect life, You are the sacrifice
Jesus, Son of God, You are Jesus, Son of God

V2

You took our sin, You bore our shame
You rose to life, You defeated the grave
A love like this the world has never known
You took our sin, you bore our shame
You rose to life, You defeated the grave
A love like this the world has never known

BR

Be lifted higher than all You've overcome
Your name be louder than any other song
There is no power that can come against Your love
The cross was enough, the cross was enough
The cross was enough, the cross was enough
