

LET YOUR JOY COME DOWN

V1

There is joy in heaven unceasing joy in Your presence.
There is singing and dancing before Your holy name.
There is joy in heaven unceasing celebration.
For the Lamb who died has now taken up His reign.

CH

Let Your joy come down, joy come down.
Father let us taste of Your joy in Your Son.
Let Your joy come down, joy come down,
Let Your holy joy come down.

V2

There is joy in heaven unceasing joy in Your presence
All the angels rejoice when one sinner comes back to God.
There is joy in heaven unceasing celebration.
By the thousands upon thousands
washed in our Savior's blood.
