

LORD, YOU'VE BEEN GOOD TO ME

V1

Lord you've been good to me
All my life, all my life
Your loving kindness never fails
I will remember, all you have done
Bring from my heart, thanksgiving songs

CH

New every morning is your love
Filled with compassion from above
Grace and forgiveness full and free
Lord you've been good to me

V2

So may each breath I take
Be for you Lord, only you
Giving you back the life I owe
Love so amazing, mercy so free
Lord you've been good, so good to me
