

SOVEREIGN LORD

V

O Lord, I lift Your name up
I worship You, my King
For You are the Sovereign "I Am"
Deserving of all glory
All honor and all praise
For You are the Sovereign "I Am"

CH

Sovereign Lord, Your ways are not my own
Your wisdom never ends
Sovereign Lord, You've created the heavens
Yet You call me Your friend

BR

Your love reaches the heavens
Still You hold me when I'm weak
Your faithfulness is unending
For You reach the depths of me
O, You reach the depths of me
