

THE GREATNESS OF OUR GOD

V1

Give me eyes to see more of who You are
May what I behold still my anxious heart
Take what I have known and break it all apart
For You my God, are greater still

CH

No sky contains, no doubt restrains all You are
The greatness of our God
I spend my life to know and I'm far from close, to all You are
The greatness of our God

V2

Give me grace to see beyond this moment here
To believe that there is nothing left to fear
That You alone are high above it all
For You my God are greater still

BR

And there is nothing, that could ever separate us
There is nothing that could ever
Separate us from Your love
No life, no death, of this I am convinced
You my God, are greater still
