

THE WONDER OF THE CROSS

V1

O precious sight, my Savior stands
Dying for me with outstretched hands
O precious sight, I love to gaze
Remembering salvation's day,
Remembering salvation's day

Though my eyes linger on this scene
May passing time and years not steal
The power with which it impacts me
The freshness of it's mystery,
The freshness of it's mystery

CH

May I never lose the wonder, The wonder of the cross
May I see it like the first time, Standing as a sinner lost
Undone by mercy and left speechless
Watching wide-eyed at the cost
May I never lose the wonder, The wonder of the cross!

V2

Behold the God-man crucified,
The perfect sinless sacrifice
As blood ran down those nails and wood
History was split in two, yes,
history was split in two

Behold the empty wooden tree,
His body gone, alive and free
We sing with everlasting joy,
For sin and death have been destroyed
Yes, sin and death have been destroyed
