

WHAT A GLORIOUS MYSTERY

V1

Who can comprehend, Your holy ways O Lord
Your glorious power without end
From which the stars were born
How could we ever understand,
The moving of Your hand
How could we ever come to grasp,
The One who never began

CH

O, what a glorious mystery You are
O, what a glorious mystery You are
Though we only see in part
You've completely won our hearts
O, what a glorious myst'ry You are

V2

Who can comprehend, Your gracious mercy, Lord
Great loving kindness that would send,
A Savior to be born
Why would you, Jesus, die for us,
Who cursed Your perfect name
Why would You come to reconcile
Those who caused Your shame
