

WOUNDED SAVIOR

V1

Beautiful You are
When I look upon the cross
The wounds You bore in place for me
Have been the stripes that heal

CH

Wounded Savior, I will ever
Thank You for the cross
Man of sorrows, My tomorrows
Shall be filled with love - For You

V2

Beautiful You are
Who else could pay the cost?
The Lamb of God, You bled and died
So I could have new life

BR

And I won't be ashamed
There's power in Your name
And I'll tell everyone
Of Your great love
