

YOUR GRACE

V1

Your grace opens the way
That I might draw near to You
With my heart full of faith
Your grace is all undeserved
Though there are times I fail
Still You are with me

CH

Your amazing grace is perfectly free
Day by day Your grace, empowering me
To please You in all things
To walk in Your ways
Completely forgiven
And it's all by Your grace

V2

Your grace lightens my load,
You give me the strength I need
To keep walking this road,
Your grace is all that I need
Though I am weak, Your grace,
Is mighty within me

BR

I want to walk in a manner that's worthy
Of the calling You've given to me
I want to walk in a manner that's worthy
Of the Gospel
