

## YOUR GREAT RENOWN

### V1

Our hearts are longing for  
The glory of the Lord  
To be made known in all the earth  
Lord, let your kingdom come  
Lord let your will be done  
Your's is the greatest name of all

### CH

We want to see the nations bow  
We want to hear the rising sound  
Of the worship that You deserve  
We want this passion to abound  
A burden for your great renown  
Your's is the greatest name of all

### V2

Our hearts are longing for The wisdom of the Lord  
To be proclaimed in all the earth  
Your ways are higher than The dreams of any man  
Your's is the greatest name of all

### V3

Our hearts are hungry for The power of the Lord  
To be displayed in all the earth  
The message of the cross Will bring hope to the lost  
Your's is the greatest name of all
