

YOUR NAME IS MERCY

CH

Your name is Mercy, Your name is Grace
Your name is Holy, here in this place
Your name is Healer, Your name forgives
Your name is Jesus, in You we live

V1

There's no other name above You
No one compares to You, God
All the earth, seas and skies, speak Your name
In Your name we find salvation
You alone change sinners' hearts
You alone, are the Light, in the dark

V2

You gave up Your throne in glory
Humbly walked the way of the cross
There You died, then You rose, for the lost
One day every knee will bow down
One day every tongue will confess
You are Lord, You are King, over all, over all
