

## YOU'RE GOOD LORD

### V1

Your mercy overwhelms me  
More amazing every day  
This kindness straight from Heaven  
Is relentless like the waves

### CH

You're good Lord  
You're wonderful to me  
You're good Lord  
So wonderful to me

### V2

Your mercy overtakes me  
Even when my feet have strayed  
And though I don't deserve it  
You surround me with Your grace
